

# Ohio & Kentucky Open Houses

## Ohio

Ohio Directors invite you to view a day of Foundations, Essentials, or Challenge. The following symbols beside each location name indicate the programs available for visitation at that campus: Foundations — F, Essentials — E, and Challenge — C. Our space is limited because our priority is our children. So make sure you RSVP one week before the Open House with the full number of your family. *Your children are welcome to join in the classes.* Additional programs (such as Essentials or Challenge) will be added to campuses for Fall 2008, based on interest. Check our website frequently for additional Open Houses: [www.ClassicalConversations.com](http://www.ClassicalConversations.com).
